Bring your booklet to life

1. Print out the page.
2. Cut out around the outer black line.
3. After you have cut off the margin, fold the paper in half, “Hamburger style” and cut on the dotted line.
4. Fold the paper in half long end to long end.

Hold the edges of the paper and push towards the center until you see a box formed. Keep pushing until all the pages line up.

5. Flatten the paper.
6. Fold it in half to create your booklet.
